PERSONAL SKILLS

LANGUAGES:

ITALIANO: Madrelingua

INGLESE: B 1.1

DRIVER'S LICENSE:

Automobilistica (patente A e B)

COMPUTER SKILLS:

I can use all the principal software package of Windows and Mac; as well as all the ADOBE package (Photoshop, After effects, Lightroom, Indesign, Illustrator, Flash, Dreamweaver) and other software as Cinema 4D and Final Cut.

SPORT:

I have been in the Juniores and Under 23 flat water national team where I won a lot of Italian titles of flat water and marathon. In summer 2009 I gained the silver medal of K4 500mt at the European Juniores Championship in Poznan (Poland) and the silver medal of K2 23km at the marathon World Championship in Crestuma (Portugal).

PROFESSIONAL SKILLS:

I can describe myself as a real creative talent. Creativity is the ability to mix prior elements with something new, useful and above all beautiful. Some quality I have, that define a creative talent as well, are: knowledge, intuition, experience, tenacity and innovation aptitude.

In order to do the best for this activity, I have been studying and doing all the training process with lots of passion. I always put clients' needs first, I try to understand them, I give suggestions and advices and I work hard to offer the best service.

When I communicate I am direct and clear, I always try to satisfy all my clients and in my work activities I build a solid relationship between clients, my colleagues and me. I use all my knowledge and past experiences to succeed and do the best that I can.

I can usually organize and prioritize my work by myself due to my duties and skills achieved during my past experiences. I am used to work under stress always focusing on clients' needs and delivering the work on time.

All my choices, even those related to the sport that I mentioned above, gave me the chance to meet and relate with people from foreigner countries and different cultures.

I am flexible but really determined when it comes to achieve my goals. I keep working on my career that really passionate me and I hope I will have the opportunity to attend vocational education courses both in Italy and abroad. My personal goal is to enhance my skills and comparing them with people from all over the World improving as well foreign languages.

In compliance with the Italian legislative Decree no. 196/2003, I hereby authorize you to use and process my personal details contained in this document.
